Dear Mr Springham

Thank you very much for your kind donation of £390.00 to Macmillan Cancer Support from money raised at the FA Cup-Cup. This is a brilliant way of raising money and I'm glad the event was such a success. Please pass on our thanks to everybody who took part. Thanks to generous supporters like you, we can continue to improve the lives of the two million people in the UK living with cancer.

When you're living with cancer, the difference between a good day and a bad day can often come down to really small things. Getting answers on something you're worrying about. Finding out you can get some financial support. Or just having a chat with someone who understands. Everyday Macmillan helps thousands of people to have a good day.

We're also currently campaigning to get a better deal for those affected by cancer, now and in the future. We want everyone to receive the right level of treatment and support. We fight discrimination – from challenging unfair travel costs and hospital parking charges to helping people with cancer who are struggling to pay their fuel bills

These are just a few of the areas of our work made possible by people like you. You have helped change lives.

Thank you again for your support.

Yours sincerely,

pp
